

# School Quality Survey

## Guidelines for Permission to Use

The Hawaii Department of Education, Accountability Section, Assessment and Accountability Branch, has received a number of requests from school districts and schools to use the School Quality Survey (SQS). The Office has granted requesters permission to adapt and use the survey with the following conditions:

1. For research and data requests, please go to the following website:

<http://www.hawaiipublicschools.org/VisionForSuccess/SchoolDataAndReports/HawaiiEdData/Pages/Data-Requests.aspx>

This website contains information, resources, forms, and guidance materials related to both conducting research in the Hawaii State Department of Education (HIDOE) and requesting data from HIDOE schools and offices. Individuals can submit research applications or data requests through the processes described through

- a. Basic Approval Options
  - b. Data Requests
  - c. Data Sharing Agreements
  - d. Research Applications
2. The source of the survey should be cited as “This survey has been adapted from the School Quality Survey, developed by the Hawaii Department of Education, Accountability Section, Assessment and Accountability Branch.”
3. Please send us a copy of any materials produced that cite or include the SQS.

Thank you for your interest in our survey.
