

School Quality Survey

Guidelines for Permission to Use

The Hawaii Department of Education, System Evaluation and Reporting Section has received a number of requests from school districts and schools to use the School Quality Survey (SQS). The Office has granted requesters permission to adapt and use the survey with the following conditions:

1. Please send a letter formally requesting use of the survey. The letter should include a statement of the requester's name and affiliation, the purpose in using the SQS, and the manner and date in which the survey will be used. Please send the letter to:

Dr. Glenn Hirata, Administrator
System Evaluation and Reporting Section
3633 Waiālae Avenue, Room C210
Honolulu, HI 96816
2. The source of the survey should be cited as "This survey has been adapted from the School Quality Survey, developed by the Hawaii Department of Education, Systems Accountability Office."
3. Please send us a copy of any materials produced that cite or include the SQS.

Thank you for your interest in our survey.
