\*Others - percent of high school completers who received a special education certificate of completion in lieu of a diploma and students who have been attending school but did not graduate in the four-year time frame.

Note: Table 5 has changed since the *2006 Superintendent's Annual Report*. "Estimated Cohort Dropout Rates" previously reported in earlier reports have been replaced with rate data that are a result of tracking first-time 9<sup>th</sup> graders over four years. This methodology produces more accurate high school graduation and dropout rates.
